

## Tartar Teen Talk

By Pam Anderson

Spring time and election time go hand in hand at Torrance High. Candidates for the 11 student body offices give their speeches in front of the student body today. Those seeking office for the fall semester are Tom Somers, president; John Hull, Kim Brooks, and Ron Ogle, vice president; Teri Borrelli and Jean amasaki, commissioner of records; Barbara La Grande, Jonell Grim, and Margie Peterson, commissioner of finance; Mimi Steed, and LuAnn Schultz, commissioner of activities; Kevin Nally, Ailison Kushnick, Terry Waters, and Gail Morgan, student court judge; Rocky Chavez, commissioner of athletics; Leah Shirejian, Diane Shigekuni, and Pat Fagnano, commissioner of publicity; Kathy Hamlin, and Patti Sharp, commissioner of group control; Linda Wilson, commissioner of pep; and Pam Batovsky, Girls' League president.

TARTAR LADY applications for next year are now available in the activities office. All junior and sophomore girls with a 2.6 grade average for the preceding semester and a 3.0 cumulative grade point average are urged to apply. Even though the Papago Indians have gone back to their reservation, they still remain our friends and they still need our help. Members of the Girls' League have become pen pals with the students from Arizona. Collections of food and clothing are being taken in the activities office. Anything you can donate will be put to good use.

Coming soon is the annual Bermuda Day, sponsored by the Girls' League. Tickets will be on sale in the activities office for 15 cents. Also coming soon are class elections. Applications will be due next Friday.

Later...

Also competing in front of the student body were the candidates for next year's cheerleaders. The competition is rough, so all students should make it a point to vote tomorrow. Run-offs will be held Friday if necessary.

CONGRATULATIONS to Mark Knudson and Bob Hester who's 21.4 220-yard dash and 6-foot-4 high jump mark are the best in the area for the current track season.

More congratulations to Jan Kostuch who made quarter finals in Humerous Interpretation at the State Qualifying Speech Tournament at San Fernando State. Also to Pam Hoy and Sheila Brase who were selected as one of the top 24 debate teams in area competition.

All seniors who are interested in tryouts as commencement speakers should prepare a speech not longer than two minutes on the subject, "What Graduation Means to Me," and come to room 97 Thursday at 3 p.m.

Did you know that more than 90 per cent of the seniors in business classes who took the county Civil Service Exam passed?

## Pilot Wins Silver Cup For Score

Maj. Edward J. Hoffman, 38, of 2544 W. 225th Place, a pilot assigned to the 163rd Fighter Group of the California Air National Guard at Ontario, has been awarded the "Outstanding Interceptor Pilot" silver cup as the group's outstanding pilot of 1967.

Major Hoffman, who flies F102 jet interceptors on weekends and a United Airlines jet airliner during the week, was cited for his proficiency during intercept missions in support of the group's function as a member of the Aerospace Defense Command.

Scoring 92.4 points out of a possible 100, Major Hoffman finished ahead of 37 other pilots in the group's annual competition for the silver cup—recognized as the highest award a member of the group can receive.
